Creating reciprocal, mutually beneficial partnerships to respond to local and global challenges

1. Context matters

The True Size of Africa

A small contribution in the fight against rampant *immappancy*, by Kai Krause
 Graphic layout for visualization only (some countries are cut and related)
 But the conclusions are very accurate: refer to table below for exact data

Creating reciprocal, mutually beneficial partnerships to respond to local and global challenges

1. Context matters

2. Equity for purposeful partnerships

Creating reciprocal, mutually beneficial partnerships to respond to local and global challenges

1. Context matters

2. Equity for purposeful partnerships

3. Institutional commitment/Enabling environment

Creating reciprocal, mutually beneficial partnerships to respond to local and global challenges

1. Context matters

2. Equity for purposeful partnerships

3. Institutional commitment/Enabling environment

4. Personal commitment

Thank you
Enkosi
Dankie
