

April 22, 2024

OBREAL and the OBREAL Buenos Aires Office for South America express their **support to the Argentinean university system** in its demand for an adequate budget to guarantee the quality, excellence, and inclusiveness of Argentinean universities.

Likewise, OBREAL expresses its commitment to the values represented by the Argentine public university and will work together with its members in the region to guarantee a democratic university, committed to sustainable development, inclusive and of quality that promotes excellence at all levels.
