Information for students from other universities.

Each year the University of Barcelona (UB) welcomes a large number of students from other universities, both from Spain and abroad, who wish to undertake part of their degree studies in Barcelona.

Temporary visiting students can register at the UB an international exchange program (Erasmus+, Global Mobility or others), or by submitting an individual application.

If you are interested in studying temporarily at the University of Barcelona, check the information and the necessary documents in these pages.

The OPIR

The objectives of the **UB International Research Projects Office (OPIR)** are the promotion of research programmes and calls for proposals from the European Commission and other European and international bodies, to provide technical and administrative support for the preparation of European and international research proposals, and the negotiation of the granted projects. The contact details of our staff can be found in the [directory](#).

The economic management (payments, budget control, preparation of financial reports, etc.) of most of the types of projects awarded is carried out by the [R&D&I Grants Management and Justification Unit](#).

OPIR technical staff can be contacted directly via email, via Teams, or via the generic email address recerca.europea@ub.edu.

HORIZON EUROPE (HE)

HE is the **EU Research and Innovation funding programme for the period 2021-2027**. Its

objectives are to strengthen the EU's scientific and technological bases and the European Research Area (ERA), to boost Europe's innovation capacity, competitiveness and jobs and to deliver on citizens' priorities and sustain our socio-economic model and values.

All the information on its characteristics (regulations, documentation, calls, etc.) can be found on its official website, the [Funding & Tender Opportunities Portal](#).

If you wish detailed information on the possibilities of financing within HORIZON 2020 or other European programmes, as well as to obtain support for the preparation of proposals, **please contact the OPIR**.
