

POLICY BRIEF 3

PROMOTING EUROPEAN VALUES AND CITIZENSHIP FOR MIGRANT AND REFUGEE YOUTH INTEGRATION

Policymakers at local, national and European levels, educational institutions, NGOs, community leaders, and youth organizations working on migrant and refugee youth integration across Europe.

KEY MESSAGES

PROMOTING EUROPEAN VALUES - Democracy, tolerance, and respect for diversity in educational curricula to support the civic engagement of migrant youth.

INTERCULTURAL DIALOGUE - To reduce discrimination and foster mutual understanding, particularly through community programs and school initiatives.

ADDRESSING CHALLENGES - Discrimination, economic barriers, and a lack of structured opportunities for dialogue, which hinder the social integration of migrant youth across Europe.

ACTIONABLE RECOMMENDATIONS - Increasing funding for youth-led initiatives, launching awareness campaigns against discrimination, and enhancing access to social resources and vocational training.

FOCUS ON RURAL AREAS - To ensure equitable access to integration programs for migrant youth.

POLICY OPTIONS

Promote Intercultural Dialogue

Implement programs in schools and communities to encourage interaction between migrant and native youth.

Support Youth-Led Initiatives

Increase funding for projects led by youth that enhance social inclusion and foster cultural exchanges.

Combat Discrimination

Launch campaigns to challenge stereotypes about migrants and promote inclusivity through various media.

Increase Resource Access

Provide financial support for migrant youth to engage in extracurricular activities and create vocational training opportunities.
